

## DOMINICAN REPUBLIC MISSION 2004

June 14 - June 22

### STOCKHOLDER CERTIFICATE

WE NEED YOUR HELP!!!

Each member of the Mission team is attempting to raise \$850.00 to cover travel and living expenses during the Dominican Mission to Hogares Luby Homes. You can help the children at Hogares Luby Homes by becoming a stockholder in me as one of the team members.

It is easy to do. All that is required of you is to decide how you are able to help.

Even though each team member sacrifices financially and personally in order to join the mission, each is willing to work for their "pay" if you wish. These are not handouts but gifts which enable others to serve Christ in your behalf.
